This Thursday, April 4th from 4-6am, join us in the main break room (1st floor) at JFK8 for suhoor, an early morning pre-fasting meal for Muslims during the month of Ramadan. All our co-workers are welcome to stop by our table and grab a plate! 🍳🍷🍷🍰🍰

This Wednesday, December 20th at 5 pm, workers at JFK8 will be walking out to demand that Amazon stop violating our federal rights protected under the NLRA to organize and have union representation during disciplinary actions, by retaliating and unlawfully terminating us!

amazon LABOR UNION

KNOW YOUR RIGHTS!

All of us at JFK8 know a coworker who has been illegally written-up, suspended, or even fired by Amazon; it may have even happened to you!
We are standing up and fighting back together to say no more!

**We demand an end to
all illegal retaliatory
discipline and
terminations at JFK8!**

Join the walkout on December 20th at 5 pm outside JFK8 to let Amazon know we won't take this anymore! We know our rights and we're here to defend them!
